Mr. Charles A. Pitts,
P. O. Box 23,
Ville Platte, La.

Dear Charlie:

I imagine you think that I do not take very good care of my correspondence, but the truth of the matter is that I have been to California twice, to Chicago for the National Basketball Coaches Association, to St. Louis on some research, to Sioux City for a physical education meeting, and today I am leaving for New York to attend the National Basketball Rules Committee meeting.

I am hurriedly writing to you to tell you that I do want to help you, and as soon as I get back from New York I will go over this situation and talk to Mit and see what I can do for you. I assure you that you are not imposing upon me in any way, and if there is any way that I can help you it will be a decided pleasure to do so.

It is interesting, isn't it, Charlie? I don't believe Mit thinks he has such a swell job. But if there is any way that I can help you get what you want it will be a pleasure to do so.

Assuring you that you will hear from me after my return from New York, and with kindest regards to you and your good wife, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
