Mr. Charles A. Pitts,  
Box 23,  
Ville Platte, La.

Dear Charlie:

It was a pleasure to receive your letter of the 25th instant, and to know of your interest in this boy, Merit. I am glad to know that you are also writing Mr. Henry and Mike, because they are the ones who would be more interested in him than I.

I think you know, Charlie, that I have never gone out after boys, believing that the boys should come here primarily for an education. I find it rather difficult to secure employment for boys, and in this case it seems that Mr. Henry or Mike are the ones who could do the most for him.

I'm awfully sorry, Charlie, that I was unable to see more of you when you made your two trips to Lawrence. I'm glad to know that you will be here again in the fall, and hope at that time we can have a good visit.

Again thanking you for your fine interest, and with best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
