

July 28, 1939.

Mr. Gwinn Henry,  
Director of Athletics.

Dear Gwinn:

I am enclosing a letter I have received from Charlie Pitts concerning a boy who seems to be interested in coming to K. U.

Pitts is a former K. U. man. He started out in football and track, but developed in track.

After you have read this letter I shall be glad to have your reaction.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
