Mr. Lewis Ferrin,  
Churchill Hotel,  
Canton, Illinois.

Dear Mr. Ferrin:

Our mutual and personable friend, John H. Glenn, has often spoken to me about you, and somehow I feel that I am well acquainted with you. On our visit through Beardstown, Illinois, a few weeks ago we called at the Glenn household to let John know that we were coming through his very famous town for a short visit.

We found upon our arrival there that he was taking dinner with you in Canton. He returned and related the incidents of a very pleasant dinner date with you that same evening. I am sorry that he did not have a longer visit with you, which he undoubtedly would have had, had we not interrupted.

Johnny has spoken to me many times of you and the friendship that his father had for you. If you are ever near Kansas City or Lawrence either in the fall or winter, please be sure to let me know ahead of time and we will see if our football or basketball schedule does not include a date so that we could have you as our guest. I am sending you a football and basketball schedule for this winter.

If at any time I am through your fair city I will let you know of my coming. However, I doubt that it will be soon with our heavy athletic schedule coming up.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
