Dr. Forest Allen,  
801 Louisiana Avenue,  
Lawrence, Kansas.

Dear Dr. Allen:

I am enclosing a clipping that I feel perhaps you  
and your wife would enjoy reading.

I regret not writing to you sooner, but have been  
busy in my new promotion.

My copy of your book, "Better Basketball", has  
been misplaced, so I am ordering a new one from  
Magraw and Hill.

Will forward it to you for your autograph, and  
any kind words that you might have to say.

Wishing you and your family well.

Sincerely yours,

Edward Pitzer
