Dear Mr. Allen:

Here is another man who has a doctors degree in physical education and is an outstanding teacher in that department. He is Leslie Irwin, University High School, University of Chicago. I am not sure what salary he is receiving nor how much chance there is for promotion in that system. He is closely associated with the university department and assists with some of the university work but in the main he deals with the high school students. He might be interested in a position such as you mention.

Yours truly,

H. V. Porter

Secretary
