Dear Dr. Allen:

Thanks very much for writing  
about Dick Harp; I will be glad to have  
him come in any time for an examination  
and I will write you a note after seeing  
him and give you our opinion.

Thank you for your kindness to  
Mrs. Peete and me when we were in Lawrence.  
I hope that you will have continued success  
with the team.

Sincerely yours,

*Don Carlos Peete, M.D.*
