Mr. J. B. Pearman,
Editor, The Winged Foot,
New York Athletic Club,

New York, N.Y.

Dear Mr. Pearman:

I acknowledge receipt of your very fine publication The Winged Foot for January. I think you have a very wonderful magazine and you have certainly done a splendid job of portraying basketball in its finest aspect.

I am wondering if you would be kind enough to send out a few copies to some of my friends. I would appreciate it if you would send a marked copy to Chancellor E. H. Lindley, of the University of Kansas, with a short note calling his attention to the space that you have given to basketball. I would also very much appreciate it if you would send a copy to Horace Mason, Sports Editor, University of Kansas News Bureau, and one to Joe Knack, Sports Desk, The Kansas City Star, Kansas City, Mo.

I am also listing the names and addresses of some persons whom I would like to have receive a copy:

Mr. Tom A. Van Cleave, 604 Commercial Bldg., Kansas City, Ks.
Mr. M. L. Breidenthal, Security Natl. Bank, Kansas City, Ks.
Mr. Dan Servey, Haydite Corporation, Kansas City, Mo.
Dr. Marvin Hall, Topeka, Kansas
Mr. George Nettels, Midway Coal Co., Pittsburg, Kansas
Prof. Lawrence Woodruff, University of Kansas, Lawrence, Ks.
Dean R. A. Schwegler, University of Kansas, Lawrence, Ks.
Dean E. B. Stouffer, University of Kansas, Lawrence, Ks.
Dean Paul B. Lawson, University of Kansas, Lawrence, Kans.
Mr. Karl Klooz, University of Kansas, Lawrence, Kansas
Dean F. T. Stockton, University of Kansas, Lawrence, Kans.
Dean D. M. Swarthout, University of Kansas, Lawrence, Ks.
Prof. R. C. Moore, University of Kansas, Lawrence, Kans.
Prof. J. M. Smith, Law School, University of Kansas, Lawrence
Prof. J. O. Jones, Engineering School, University of Kansas.

I realize that this is quite a hefty request, but these people are all great basketball enthusiasts, and it would be a special favor to me if you would be kind enough to send a copy to each one of these gentlemen with a short note.

If at any time I can do you a favor I would be happy to do so.

I want to congratulate you on the wonderful publication. I would send my copy around to some of my friends, like the various deans at the University, but I very much desire to keep it and peruse it from cover to cover. It is certainly beautifully gotten up.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Mr. Allen:

Thank you very much for your letter of December 30th, which covered all of the points which I had in mind relative to the early days of basketball. You will notice that the subject has been very thoroughly covered in the material which appears in our January issue, a copy of which was sent to you several days ago.

So far we have had many favorable comments about this issue. Again, my thanks to you and I trust that I will have the pleasure of meeting you some time in the very near future.

Dear Charlie:

I like to send a copy of a recommendation to a fellow who never asks for one. You have been a fine employee and an excellent student at the University, and I want you to know that in your quiet way you perhaps have done more to raise yourself in my esteem than if you had been spectacularly present, endeavoring to show how well you do a job.

The thing that you did for Tiny Moore shows me that you have human qualities that this old world needs very much.

With kindest regards to you and Tiny, I am

Sincerely yours,

Director of Physical Education,

Dear Fred:

I am enclosing a clipping from the Washington News which was sent to me by Dick Brown, a student at Baker University. His father, who is in Washington, sent it to Dick.

I thought you might like to put this in your scrapbook - and if you don't, I'm sure your girl will.

Dear Mr. Parkins:

At the request of Dr. Allen, who is in Chicago this week, I am sending you a set of radio programs sponsored by our Department of Physical Education in a series entitled "Physical Education for Health".

In these broadcasts we try to present in an informal, chatty style some of the benefits of our department. This is a regularly scheduled program over Station KP KU on Thursday night at 9:30.

I trust they will be of some interest to you.

Sincerely yours,

Secretary to Dr. F. C. Allen,
Director of Physical Education
and Varsity Basketball Coach.

Mr. H. V. Porter,

Dear Mr. Porter:

I am sending herewith the questionnaires which were returned from the coaches in the Fifth District. Out of 73 questionnaires sent from this office, only 37 were returned.

I thought you would want these for summarization before the Chicago meeting.

Looking forward to seeing you in Chicago next week, and with all good wishes, I am

Sincerely yours,

Director of Physical Education,

Dear Doc:

Surely appreciate your letter concerning the opening at Warrensburg and know how much nicer it would be nearer relatives and old friends, and especially just now. Much as I would like to be there I think I'd sacrifice too much in making such a move.

My contacts here are good and say more under \$4000⁰⁰ would be a loss, unless other things overshadowed the financial. We've decided against a \$3200⁰⁰ job on another move this year.

Remembering the set-up (financially) at Warrensburg, I don't believe they would offer that money for a coach. ⁽⁴⁰⁰⁰⁾ Wish they could and if you think they would go that much I'd surely go for it.

A week ago I'd have said our chances for a fourth straight championship were pretty well shot - but we still have a chance. We must win our game and should washburn

win over North we finish in a 3-way
tie for a play-off. It appears possible.
Last week we dumped North 37-36 in
an overtime game. We've lost one game
in a double overtime by one point so
that balances.

Our setup here Doc just now is
such that we have to consider changes.
Salary approximates \$3000⁰⁰ here — have
to take such cuts as board sees fit
from that — these are small now.
My outside contacts are worth quite
a lot too.

Many thanks Doc and hope you
still plan that trip to the Central
District Convention. Hope all of
you are well and wish you the
best of luck —
Perk

Dear Dr. Allen:

When in Lawrence, a week or so ago I talked to you about Louis Steinmeir, Wyandotte High School boy who wants to enroll at Kansas next year. Louis would like me to come up to the University with him this Saturday afternoon (July 20,) and I told him I would write to you to see if you would be on the Hill so that we could drop around and say, "hello", while sight-seeing on the campus. It will be about three o'clock in the afternoon before we can be in Lawrence as it will not be possible to leave Kansas City, before one-thirty.

If you will be at your office and it will be possible to come in for a few minutes we will go ahead with our plans to be in Lawrence this coming Saturday. If you care to drop me a letter on this I would appreciate it, otherwise, we will see you Saturday.

Yours very truly,

Athletic Director

Dear Sir:

Western State College is planning a pre-season basket ball barnstorming trip through your section of the country. We plan to be in your immediate vicinity between the first and third of January and should like to schedule a game with your school during that period if your pre-season schedule has not already been completed.

Western State College, a member of the Rocky Mountain Conference, has always consistently been one of the outstanding teams of the conference. The College's basket ball team has always been one of the leading contenders for the title each year.

A complete publicity build-up campaign together with mats, pictures, and halftones can be provided by the department of publications.

In the event that you are able to schedule us, will you, in your answer, kindly suggest a guarantee. Because I shall be off the campus for a part of the summer, I shall appreciate your addressing your reply to Paul W. Wright, director of athletics.

Very truly yours,

Willard Pederson
