University, Of Kansas:-

Dear Sir:-

I am interested in your Book "My Basket Ball Bible" and wish to know where I may be able to purchase one, and, the cost of same.

I have in mind making it a presentation to our High School Activity Association Library, I happen to be treasurer of the Norcatour Rural High School, and, thought something of this nature would be of a lasting benefit,

Would appreciate your early reply to the above.,

Yours truly.,
