Dear Dr. Allen:

We arrived in California after a most tiresome but very enjoyable trip. My wife was very pleased to meet you all and said that she regretted that I did not remain with you when I came to K.U. Well to me it is just one of those things that I can put down in my experience column. However I hope not to do a thing like that again.

We are returning home the northern route so will not be able to visit you on our way. But will try and see you in time to come.

As to your new basketball publication I know it will be a success and I would greatly appreciate it if you would send to me a copy C.O.D with your personal autograph.

Hoping to hear from you in the future I remain,

Sincerely yours,

*Elwood Pitzer*
