

EXCERPT FROM THE MINUTES OF THE MEETING OF THE BOARD OF
DIRECTORS OF THE KANSAS STATE TEACHERS ASSOCIATION HELD
IN THE ASSOCIATION HEADQUARTERS BUILDING IN TOPEKA,
DECEMBER 20, 1935

The next item taken up was the item of whether or not the secretary should make any arrangements for the admission of students from colleges on a reduced admission charge at the time of the annual meetings of the Kansas State Teachers Association. The secretary explained the difficulty of handling this matter without a definite ruling by the Board. Following this statement, it was moved by A. J. Stout, seconded by Ira O. Scott, that the secretary hereafter be instructed to admit no one to the annual meetings of the Kansas State Teachers Association except those persons who held either K.S.T.A. membership cards, single admission tickets, or passes issued by the secretary. Motion carried.
