October 20, 1938

My dear Dr. Allen,

Will you kindly
settle an argument for a
group here:

The question:

Did K. U. - play Haskell Indians
in a night game in the K. U.
Stadium - & if so - did they
borrow the lights?

This seems silly - but
has caused a great deal of argu-
ment. The time in mind is
about six or seven years ago.

I shall appreciate the
courtesy of your reply -

Sincerely,

Mrs Dow Carlos Pette
