Alex Taylor & Company,

New York City, N.Y.

Dear Sirs:

In July we purchased from your firm four No. RTR "Delhi" Deck Tennis Rings. The shipment was received in due time, but upon opening it this week we find that the Deck Tennis Rings are Voit tubular rings. We are particularly desirous of having the "Delhi" sponge rubber rings, and are returning the Voit rings to you under separate cover today.

I trust that it will be possible for you to make this adjustment, and send us the sponge rubber rings.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Attention: Physical Education Secy.

Dear Sir:

We refer to your letter of May 20th and to your order 3720 for poles and flags and shipment is going forward today by Express.

We regret the sloppy manner in which this order has been handled, but we have been absolutely snowed under and did not advise at the time your order was received that we were temporarily out of the type of flags that you ordered.

Perhaps in the future will be able to give your orders more prompt attention.

Yours truly
