Dear Doctor:

I received your basketball bulletin for which I
thank you very much.

In regard to changing our game about, and our play-
ing first at Lawrence and later here on the same dates agreed
upon. I have no other reason for requesting this except that
I need a game at home in February very badly, so that I will
have two in our second semester. This would still leave you
two games at home in February. It would simply be a very much
appreciated accommodation and help our home activity book
schedule.

Please advise me at your earliest convenience.

Very truly yours,

Frank P. Root
Coach of Basketball
