Dear Sir:

Replying to your letter inquiring relative to White Rubber Tubing suitable to go around #9 Wire: we do not stock such a Tubing in white. However, we do have it on order.

It is 8/32" in diameter, inside measurement, as compared to #9 Wire 5/32". Comes in 50' lengths and sells 3 feet 5¢. We can cut it to any length desired. Shipment will arrive in about 30 days.

Thanking you for the inquiry and hoping to be able to serve you, we remain,

Yours very truly,

F. W. WOOLWORTH CO.
