Topeka, Kansas.

Dear Murray:

I am very happy to receive your letters of September 21 and October 19. I assure you both were very welcome and you may rest assured that you have my sincere friendship and well wishes.

I am always most happy to help a young man who wants to help himself, and I am quite sure that you belong in that category.

We practice on Monday and Wednesday nights from 7 to 9, and I would be delighted to have you and Ernie come down any time that you can. I believe you can do more for Jack Ballard than any man that I know of. You are big and rangy and about his size and you can teach him more needful technique than anyone else. So we will be looking for you, Murray, whenever you can come, and it will be a pleasure to see you.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
