

Dr. Allen -2- April 4, 1942

With very kind regards and looking forward to seeing you soon,
I am

Yours very truly,

Julian E. Ralston

P.S. I am wondering if you can now give me the exact dimensions of the basketball back stop? I wish you would drop me a line on what particulars you wish covered or you wish checked up on the man at Wichita U. Incidentally, I am afraid I have lost the notation and do not have his name.
