Mr. Paul Good,  
Vice Principal, North High School,  
Wichita, Kansas.

Dear Mr. Good:

I am sending you a copy of a letter that I have written to George Powers. I regret very much that you have been caused embarrassment and discomfort by the Oklahoma investigators.

I would be glad to come to Wichita and personally clear up anything that I can, or write any letters taking full responsibility for any harm done. I do not want to incriminate anyone else in the deal at all. I feel very definitely that somebody should stop the march of Oklahoma people coming into Kansas and buying the athletes, and my impulse and desire was to do this thing, and not to have anyone else embarrassed.

When I come to Wichita I want to have a visit with you and reiterate my desire not to impose upon your friendship with George Powers.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
