Dear Phog:

I was glad to receive your letter in regards to the way the Big Six choose their officials, and I appreciate anything you can do for me in the future. However, this coming season I would prefer to work a non-conference game for you if it is at all possible. I received word from Jack Gardner that he was writing Mr. Peters asking him to put me on one of his non-conference games.

I would certainly appreciate it if you happen to have any dates left open, if you would give me a chance.

Thanking you in advance, I am,

Very truly yours,

Pete
