Lawrence, Kansas

Dear Dr. F. C. Allen:

I am writing you in regards to breaking in officating in the Big Six. I have had the pleasure of working in the Central and Kansas conference the past four years and would like to have the opportunity of working a few non-conference games for you. I have noticed in the past that you have given several young fellows a chance to work some of your non-conference games each year. I would sure appreciate it if you would give me the privilege of working one of your games.

I have written Reaves Peters, asking him to put me on the list if at all possible, but I surmise it will have to come from you or some of the other Big Six coaches before I will have a chance. Thanking you in advance for any advise you might be able to do for me, I am

Very truly yours,

Cecil 'Pete' Peterson
