Mr. Don Elser,  
Horace Mann School,  
Gary, Indiana.

Dear Don:

We are happy to have you work our game with DePaul. I understand those Irish are pretty tough up there and all I have ever insisted on is having officials who will call it regardless of whom the foul is called upon. And I know that you will do that, Don.

I am counting on you to work one of your best games of the year. You will work with Joe Rieff, a corking good official.

You never owe me anything at all in helping out a very worthy young man. The older we get the more desirous we are of helping the young fellow. We believe that in helping the young chap he will grow up and when he matures he will do exactly the same thing for the next generation of young fellows.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
