Mr. Don Elser,

Gary, Indiana.

Dear Don:

I have just received a letter from Arthur Morse, graduate manager of the DePaul basketball team, and he states that he will engage you for our game in Chicago on January 31. I am glad that you will be able to work.

I told him that you are a good official, fearless and that you do not chisel. If I wanted a good recommendation I do not know one that I would rather have than that.

Sincerely yours,
