Mr. Don Elser
Horace Mann School
Gary, Indiana

Dear Don,

I am enclosing a copy of my letter to Mr. Arthur Morse, Manager of the Chicago Games. I would be glad to use you, but we have not heard from the DePaul authorities as yet about the referees. We certainly would like to have you if we can possibly work it in.

Of course, everyone knows you as a Notre Dame athlete and you have a fine reputation as an official.

I will write you again after I have heard from Mr. Arthur Morse.

Sincerely yours,
