Lt. Comdr. Theodore Morgan O'Leary
In charge of Transportation of Navy Personnel
Kansas City, Missouri

My dear Ted:

I talked to your good mother and learned for the first time that you have been promoted to Lt. Commander. I want to extend to you my sincere congratulations upon this fine honor.

In trying to get the building in which you are located, I had great difficulty. Your mother was not sure, then I called the Alumni Office and they gave me your address at the Kansas City Star. I said, "Gosh, he's been out of that for three years". Then they searched around and gave me the address of the Bryant Building. I said, "No, he's gone from there". I kept quizzing them, but they had no building listed. Then, I called Mrs. Allen and she said it was next to John Taylor's. I imagine it's the Finance Building, but I'm afraid to gamble on that, so I'm about convinced that I should write to Lt. Comdr. O'Leary, Kansas City, Missouri, and I think they'll find you.

I just want you to know I am happy and proud of your promotion.

Sincerely yours,

Director of Physical Education
Varsity Basketball Coach

P.S. Well, after all this, my secretary checked back in the files and found your present address, so the above was unnecessary. Congratulations, anyway!!
