

**AMERICAN OCCUPATIONAL THERAPY ASSOCIATION**

**175 FIFTH AVENUE, NEW YORK 10, N. Y.**

August, 1944

Occupational Therapy has attracted considerable interest among faculty members and students in your field. Because of this interest and the critical war situation, with its acute demand for many more qualified Occupational Therapists, we are sending you this informative leaflet. The major problem of rehabilitation, with its ramifications of physical restoration, is proving of interest to your graduates. Further information will gladly be given by the Educational Office of the American Occupational Therapy Association.

Sincerely yours,

A handwritten signature in cursive script that reads "Marjorie Fish". The signature is written in dark ink and is positioned above the typed name and title.

Marjorie Fish, O.T.R.  
Educational Field Secretary
