

end of it, I could stand to be around you  
many more years. Evidently I need guidance  
and need it badly, and I do believe you could  
help me a lot. In fact I know you could.  
Anyhow, you have certainly opened my eyes  
and clarified me on one point -

Best of luck to you "Doc" and  
I'm pulling for another big year for  
you and Kansas.

Sincerely your friend  
"Murray" Brown

P.S. am enclosing a letter I wrote you  
a month ago -

John P. Fitch is in officer training  
school at Camp Davis, North Carolina.

Will be down in the next two  
weeks for B. B. practice - If it's O.K. M.D.
