

Dear Doc :

June 18-48

well, here I am  
in the U.S. Navy school  
of music in Washington

Received a bigger  
thrill, having a small  
part honoring a  
real kamard today  
than I ever received  
winning a championship.  
Washington P.C.

Stelly gave General  
Eisenhower a real  
sendoff today.

Have been unable  
to see Julius Holmes  
as yet but I will.

Love enjoyed talking  
to you on the phone. I'd  
Sincerely Glenn. D.
