

THE UNIVERSITY OF OMAHA
OMAHA, NEBRASKA

November 15, '43

Dr. Forrest Allen, Basketball Coach
University of Kansas,
Lawrence, Kansas.

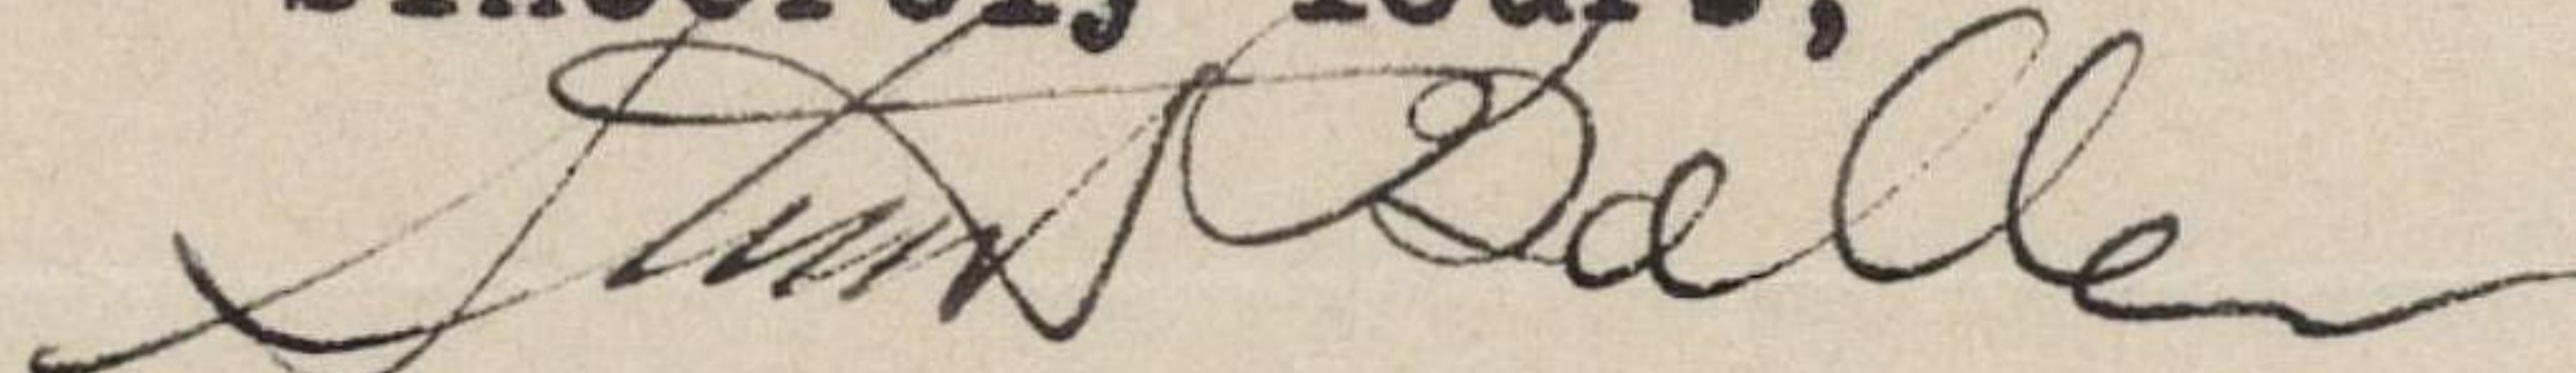

Dear Dr. Allen;

This letter is written to inquire if the University of Kansas would consider one or two games with the University of Omaha.

Due to war conditions, our school has hesitated about continuing intercollegiate athletics, but have decided to go ahead in basketball. We would be very happy and honored, I'm sure, if you could find a place for us, either at Lawrence or Omaha, or both places.

The University of Omaha belongs to the North Central Conference which includes the two North and South Dakota state schools, Iowa Teachers, Morningside, and Augustana of Sioux Falls.

Sincerely Yours,

Stuart Baller

Basketball Coach
