Mr. W. M. Ostenberg,  
Superintendent of Schools,  
Coffeyville, Kansas.

Dear Superintendent Ostenberg:

It was a great delight to me to receive your splendid letter of the 4th instant regarding my trip to your fine city. I had a swell time, and later I visited Bill Huggins over at his home. He is a grand boy and I am sending him a Jayhawk Rebounds and putting him on the mailing list.

I am also sending you one of these Jayhawk Rebounds to show you what we are doing for our boys overseas and elsewhere. We are trying to keep them well acquainted with the other fellows' whereabouts, and especially to tie them to their old stomping ground here on Mount Oread. When you have finished with this please pass it on to Dink Littrell and Principal Klots for their mere inspection.

With great appreciation and kindest personal regards,  
I am

Very sincerely yours,
