Dear Dr. Allen:

I want to tell you again how thoroughly we enjoyed having you as our speaker at the football banquet last night and at the senior high school in the afternoon. You really "rang the bell" in both places.

I have heard many complimentary remarks from the men and boys who were present last night. It was grand of you to take the time to do this for us when you have so many things to do.

With kindest personal regards, I am

Very sincerely yours,
