DORMAN H. O'LEARY
VICE PRESIDENT

KANSAS CITY, MISSOURI

September 9, 1942.

Dear Phog:

I know you will understand why I have not answered your letter of the twenty-sixth when I tell you that I have just returned from my vacation.

I very much appreciate your keeping me up to date on the situation with respect to the basketball games, as this matter is frequently discussed at Auditorium Board meetings. I quite agree with you about George Edwards. I never saw such silly letters as he has written about this matter.

I am looking forward to seeing you shortly.

Very sincerely,
