Dear Doctor:

I received your letter and want at this time to thank you very much. It helped and is helping a great deal and at the present time I'm waiting to hear from three firms and I'm pretty sure I'm going to be able to make my choice among thses firms.

I was home for four days and went to Lawrence one day just to see Mount Oread once again. I stopped in at the gym but you had gone.

Here's wishing you again all the luck this coming basketball season and I want to thank you again for the wonderful introduction letter.

Fraternally yours,

Lick Oues
