Dr. Forest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Doctor Allen:

The arrangements stated in your letter regarding your visit to Olathe are more than satisfactory.

May 2 is an open date and already the officers of the Mens' Brotherhood are publicizing the good news.

This will be a supper meeting and will begin at 6:30. There will be little else on the program and your time will be your own. The President of the Brotherhood will contact you later in regard to other details.

May I thank you personally for accepting this invitation.

Sincerely yours

Eugene Frank
