Dear Dr. Allen:

The program committee of the Methodist Men's Brotherhood of Olathe has asked me to contact you in regard to the possibility of securing you for a speaker at a men's meeting sometime this spring.

Because of certain local commitments not all of the dates in April would be free but the committee would like to suggest one of several dates--April 22, 23, 25, 29, 30, or May 2.

In the event you might find it possible to come on one of these dates, the committee would plan for a supper meeting which would be community-wide in scope, and I am quite sure we could give you a fine hearing.

Please advise us as to the costs involved, and we will appreciate an early reply.

Sincerely yours
