

-2-

never yet has a test been reported to me where Onox failed to make a better showing than all other competitors.

Several years ago Dr. Gudakunst of Detroit made a test in six different schools of six different products and reported Onox at the head of the list: "With a remarkable decrease in the incidence of infection".

I hope you will excuse this long letter and bringing you into the matter but believe you will feel that in the interest of fair play we should be entitled to a report. Wouldn't you feel that way if in my place.

Very truly yours,

ONOX, Inc.
