Dear "Phog":

This will acknowledge the receipt of the check in the amount of \$4,163.88, together with the report supplementing the report which you made on June 4.

This will also acknowledge your letter of June 15, in which you say you will follow up with Dan Partner the matter of getting the write-ups into the Guide for the Western play-off and the final game. I am writing to Tower, telling him you will follow through on this. I have already sent into him all the other material about the Tournament. The only thing that remains now is to get Partner to send in these two write-ups and then it will be complete.

This will also acknowledge your letter of June 24, regarding the three basketballs which are still to be sent to Southern California. I will write Herff-Jones about this matter at once.

By the way, I had a talk with John Griffith at the time of the Big Ten Pacific Coast meet and he tells me they are planning to have an Executive Committee meeting in Chicago along in August sometime and he hoped you and I could arrange to be present at that time. I suppose they will want it about the time of the All-Star game. I think I have convinced John Griffith that our future plans should call for some method of pro-rating net profits with the teams involved.

Very sincerely yours,
