Dr. F. C. Allen
Kansas University
Lawrence, Kansas

Dear Mr. Allen:

I was very much pleased when Mr. Emmett Kissell called me and said that you would be able to accept our invitation to address the joint meeting of our County Schoolboard Association and County Teachers' Association on Saturday, October 14.

We understand that you will arrive in Osborne before noon. We are planning a luncheon for you at the Osborne High School building. It will be attended by coaches, principals, and others who are interested.

In the afternoon we will have our sectional meetings followed by the general assembly which you will address. The topic will be left to you. If you care to discuss somewhat physical education and/or something of an inspirational nature, I am sure it will be quite satisfactory to both associations. I shall send you a report of the program later.

If you have cuts or other literature which you care to send us, it will be appreciated.

We shall be delighted to have you with us. The time, Saturday, October 14, at the Osborne High School building.

Yours sincerely,

Frank A. Paschal
County Superintendent
