To Teachers and Board Members
Osborne County
Osborne, Kansas

Friends:

We are holding our first meeting of the year for teachers and school board members at the Osborne High School auditorium on Saturday, October 14, 1939. This is to be a joint meeting and will be considered the Annual Meeting of the School Board Association. Chairmen of various sections have been asked to arrange a program for their individual sections. The sectional meetings will start promptly at one-thirty and will adjourn in time for the general assembly which will be held in the auditorium starting at two-thirty.

For this first general assembly we have been able to secure Dr. F. C. "Fog" Allen of Kansas University. Dr. Allen is known nationally for his outstanding work as a coach of basketball as well as his academic work. There will be a luncheon at the high school building at twelve o'clock for coaches, high school principals, and others interested in meeting Dr. Allen for an informal chat. Price, 40¢ per plate.
