Red Cross Christmas Boxes -- Please remember that your Red Cross Christmas Boxes filled with non-perishable articles must be turned into this office on or before October 14 so there will be time to ship them overseas before Christmas. Now, also, is a good time to enroll your school in the Junior Red Cross. Dues are fifty cents for each grade or rural school room; one dollar for each one hundred high school students. The schools of this county respond nobly to this worthy cause. We believe you will want your school to participate.

T. B. Christmas Seal Sale -- These seals will not go out to the teachers until the latter part of October. Fifty per cent of the proceeds goes to the State Tuberculosis Association. The balance remains in this county for health purposes. Last year this fund was used for purchasing first aid kits for every school room.

O. C. T. A. -- Dues are one dollar per teacher. Our goal is one hundred per cent membership. Please pay the secretary on October 14 or turn your dues into this office. The money is used for paying the expenses of the association meetings, county track meet, flowers for the sick, etc.

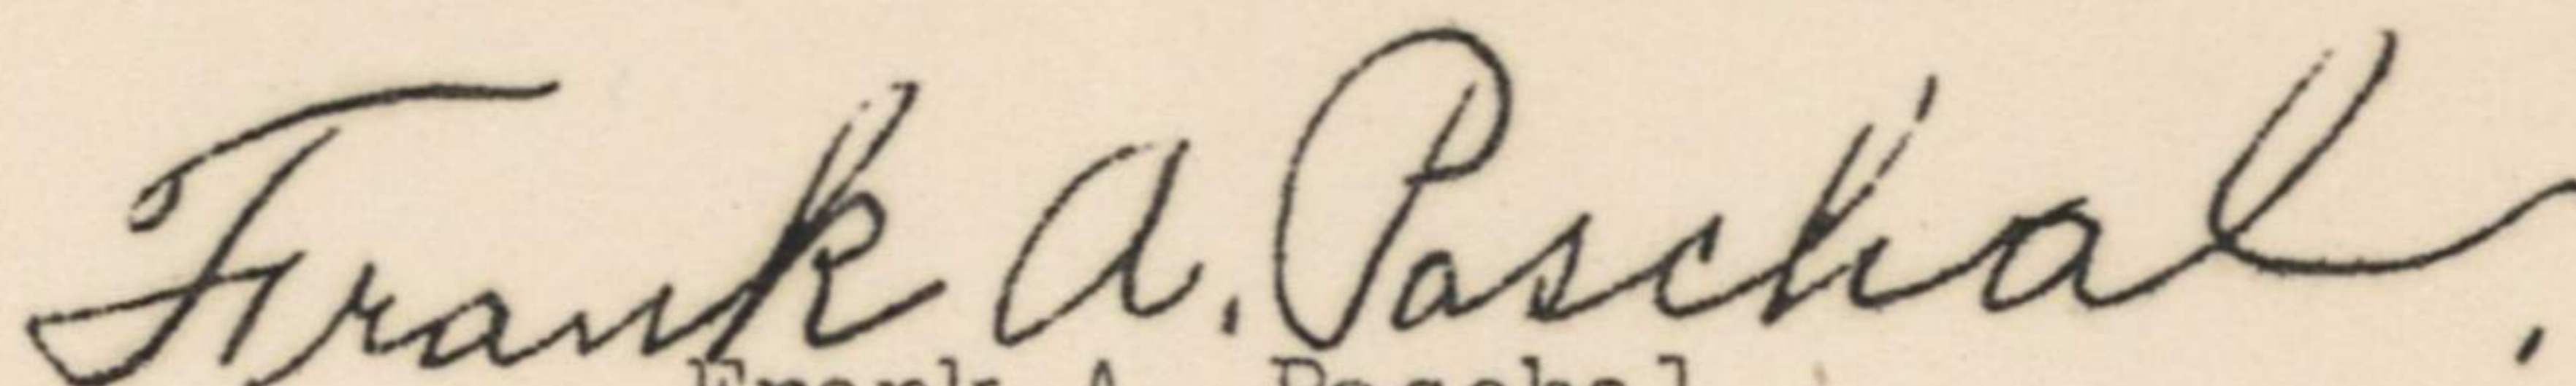

K. S. T. A. -- Membership cards may be obtained at this office. It costs nothing extra and will save you a lot of time if you enroll in advance. The state meetings are held on November 3rd and 4th in the cities of Topeka, Salina, Hays, Dodge City, Wichita, and Pittsburg.

School Board Dues -- These are one dollar for each district and may be paid through this office at any time.

County Library -- State Library Law requires that each district spend a minimum of five dollars per teacher annually for approved library books. Most rural districts are members of the Osborne County Circulating Library and have the privilege of using the books from its large supply. You are asked to pay your library dues as soon as possible either by check, cash, or school warrant.

We believe every teacher and board member in the county will enjoy and should attend the first teacher and board meeting of the year. The O. C. T. A. can well be proud of its one hundred per cent membership. Your cooperation is appreciated. It is our hope that we shall see all of you at the meeting of October 14, 1939.

Yours sincerely,

Frank A. Paschal
County Superintendent
