

October 3, 1939.

Dr. Arthur K. Owens,  
1717 Grove Street,  
Topeka, Kansas.

Dear Dr. Owens:

I am awfully sorry that I didn't get to see you when you called at my office this morning. The next time you come I want to say "hello" to you. Vic Hurt and I were just talking shop, and I would have been delighted to see you.

I saw Kirk during the rush season at the Phi Psi house, and he was looking fine.

With best wishes, I am

Very sincerely yours,
