Dear Doctor.

Do you suppose you could do me a favor? Could you lay aside two tickets for me for the S.M.U. game on the 19th? If possible on the first row-- I really want to see those Jayhawks in action.

I like C.U. a lot better than I did at first, but it still doesn't compare with K.U. I heard the rally over W.R.E.N. last night, and I would have given anything to have been there.

I'm awfully tired of hearing what a wonderful basketball team C.U. has. I'M only hoping K.U. gets to play them, and maybe then they won't talk so much.

Good luck during the coming season, and you will get plenty of support from me in the games I see during Christmas vacation.

Sincerely

Kirk Owen
