Professor F. P. O'Brien,
School of Education,
University of Kansas.

Dear Dr. O'Brien:

My time has been so fully occupied during the past few weeks that I have been unable to get away for the visit I promised I would have with you. Tuesday and Thursday mornings I have classes from 9:30 to 12:30, and I have been out of town much on basketball trips.

We leave Sunday night for Omaha where we play Creighton University on Monday, and then we play at Norman, Oklahoma, on Friday. The National Collegiate Athletic Association basketball tournament to be played in Kansas City on March 22 and 23, and on March 30, is under my management. I also have the meetings of the National Association of Basketball Coaches and the National Basketball Rules Committee meeting in Kansas City at the same time.

I am still cherishing an opportunity to see you at the earliest possible moment, and as soon as some of these events are over I hope to have the visit with you.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
