

January 12, 1939.

Mr. Ted O'Sullivan,  
916 Walnut Street,  
Kansas City, Missouri.

Dear Ted:

T. L. Thaxton, at 915 Grand, Kansas City,  
has the Foot-So-Port shoes that I was telling you about.  
Why not drop in and see Mr. Thaxton and let him straighten  
out those feet? I guarantee you will never have comfort  
until those tendons are stretched, and Mr. Thaxton's shoes  
will do the job. I have been wearing them for years, and  
they are very, very comfortable.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
