

In regard to the sweaters and gold basketball, I'd appreciate it very much if they could be sent out here. Sweater size is: Chest 44" sleeves 36" - Should be 44 long. I want to thank you for the Sporting News.

I am glad to hear that Johnnie B has a nice job coming up.

We have a new Commandant of Students, a captain; and things are quite difficult now. The system is run to a "T" like West Point. It's tough but I do like it. My only regret is that I feel like I'm wasting a lot of time, as far as subjects are concerned. I am taking English, Spherical Trig. & Physics.

A fond hello to Mrs. Allen & family.

Sincerely,

Charlie Black

Do you know where Ray E. is?  
I lost his address - I heard from someone based close to him in Fla. that he was to be moved.
