My dear Dr. Allen:

The Executive Committee of District #2 of the Nebraska State Teachers Association has appointed me Chairman of the Committee on Publicity for the coming Convention in Omaha on October 27th and 28th.

I have learned from past experience that we get more and better publicity in the local newspapers if I have an abstract of the various addresses to release to the press at the proper time. I wish you would send me an abstract of a page or so of your address "What Constitutes An Adequate Physical Education Program for Public Schools" emphasizing the most important points of the address, which you are scheduled to deliver on the afternoon of October 28th. I assure you that this material will not be released until the proper time during the Convention.

Sincerely yours

Leon O. Smith, Chairman
Committee on Publicity,
N. S. T. A. District #2
