Mr. George C. Oldham,

Minneapolis, Minn.

Dear Mr. Oldham:

I greatly enjoyed the picture of your family - it certainly looks like you are a happy family.

The way the weather is now it certainly reminds me of Minnesota, but your outfit will have to dress differently now, I'll bet.

I was in Minneapolis at the sectional meeting of the Physical Education Association last spring, March 30, 31, April 1 and 2.

Again thanking you for your friendly greeting, and with best Yuletide wishes to you and your family,  
I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
