Hello Billie

Just picked up a Long Beach paper the other day - and you are -
Less Here, just dropped him, so
after rehearsing some of the games played
in the Old Army - we came to the conclusion
that he and Billie Long, Ed Stegnes -
Lawrence and my self deserve some
credit for you being the Wizard -
Well anyway "Fogg" we are glad to know
you are up and doing well.

If you ever come out this way, come to
see me - I have a nice ^{place} and am doing O.K.
Clyde Morflet lives here -

Best regards to you and the family -

Yours Truly -

Bud Olmstead.
