Mr. H. B. Ober,
Lawrence, Kansas.

Dear Mr. Ober:

I enjoyed your letter of October 5th, but I am not purchasing any clothes this fall. When I do, however, I will be glad to stop in and look over your line.

You know, when you are raising a family of six children, the parents do not buy as many clothes as the children are required to have.

Cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
