My dear Phog:

I want to thank you for your check taking care of your current account. It is a real pleasure to serve you in this fashion and we would certainly like the privilege of selling you your suits and topcoats. We have a service here in the store that absolutely can't be beat. We can give you a selection of 175 pieces of cloth that is different from what we carry on our shelves and we can have a suit made for you in our shop at a very reasonable price. Once we fit you, you can have anything you want duplicated at any time. It saves a lot of time, alterations, and try-ons and things of that kind. We fit some of the hardest men in Lawrence, Kansas

Very sincerely
