Dear Mr. Owen:

I am pleased to hear that the University of Oklahoma has gotten a beautiful pool so that we can at some time have the privilege of staging the National Intercollegiates in your pool. I certainly wish to congratulate all those concerned in its building and I am sure it will help tremendously the game of swimming in your section.

Sincerely yours,

MATT MANN,  
*Swimming Coach,*  
University of Michigan.

NOTE: Mr. Mann's Michigan team just recently won the National Collegiate championship again.
